Everybody's talkin' 'bout this new Presley kid

That's all right, Mama That's all right for you.
That's all right, Mama. Anyway you do

That night, I happened to see him. Alone. Lost.

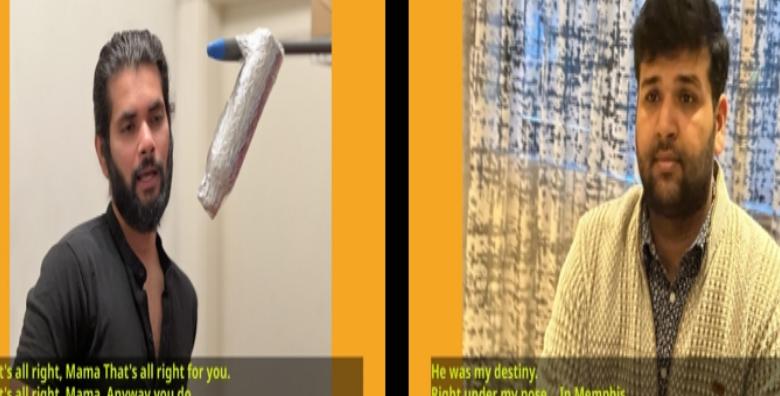

You're great, Colonel
You are the best person I could ever hope to work with

But to achieve this, I need to represent you exclusively.

He's white?

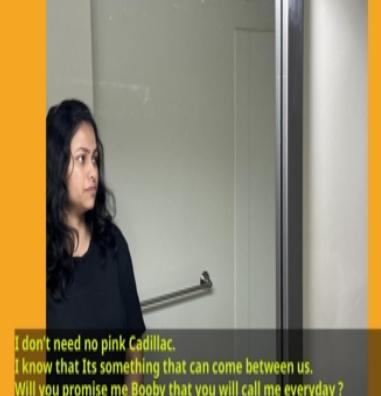

He was my destiny,
Right under my nose... In Memphis.

The roar of the crowd, The life on the road.

The Lord gave us music to bring people together.
We are like a family.
Come on now Booby,
Jessie's shining bright tonight.

I don't need no pink Cadillac.
I know that its something that can come between us.
Will you promise me Booby that you will call me everyday?

I'm sorry, sir. I... I meant I don't know the way out.
I am lost.

So I will have to leave Hank

[all singing] Oh, I'll fly away

Why don't you try one of these?
Put the pep back into your step.

... I saw you. Apart from all the others. Burdened.
Like you don't know how to get out of this. But I do.

We will both have to make sacrifices.
We will need a record label with national distribution.

He's a young singer from Memphis, Tennessee.
Give him a warm Hayride welcome to a Mr. Elvis Presley.

And I will do what needs to be done.

I'm no trickster. Oh, yes, you are. All showmen are snowmen.

Every man has his price.
